

COMMUNITY EDUCATION

Our Community Education program covers **K-12 school education** for **students** and **parents** in our local Broome County schools as well as **adult** and **children's groups** throughout the community.

From after-school programs, to parents' groups, to programming at local libraries or non-profit organizations and everything in-between, we're here to help our community learn valuable **abuse prevention and response** information and build **healthy relationship skills**!

All of the **licensed curricula** listed within this guide is available to the community, as well as our **in-house programming**, with topics including, but not limited to:

- CVAC Services
- Healthy Relationships
- Exploitation/Human Trafficking
- Online Safety for Parents & Caregivers
- Advocacy Basics
- Child Abuse
- Boundaries and Communication
- Rape Culture
- Healthy Breakups
- and more!

FREQUENTLY ASKED QUESTIONS:

Q: How much does CVAC education cost? **A:** The majority of our community programming is free with the exception of Child Safety Matters® in schools, however, that cost can be covered in Broome County by B-T BOCES for local schools.

Q: How can I learn more about programming with my school/group? **A:** Information on licensed curricula can be found at the links below. You can also contact us by any of the methods listed below with questions on any programming.

Q: How do I schedule CVAC education? **A:** You can reach out by phone, e-mail, or website submission - just let us know things like the intended audience, topic, and any other pertinent information.

CVAC COMMUNITY PREVENTION EDUCATION GUIDE

ABOUT CVAC EDUCATION

The Education Department at Crime Victims Assistance Center works diligently to provide our community with the **tools and knowledge** needed to prevent **abuse and violence** in Broome County. Our educators are not only experienced with **trauma-informed** community education, but also trained advocates who can provide **crisis counseling** when necessary.

We offer education on a wide-range of **abuse-prevention topics**- from introductory lessons on recognizing abuse and exploitation to **skill-building** workshops and **support groups** within our **community**.

In schools, we provide **Erin's Law-compliant** education as well as **age-appropriate** presentations and support groups focused on a variety of abuse-prevention topics.

During the **scheduling** process, we will work with you to ensure the best fit for your group, venue, and time-frame. And don't forget - we also offer **professional education** and training to agency or school staff! Contact us for more information.
